

OVERFLOWING GENEROSITY ACTIVITY INSTRUCTIONS FOR LEADERS

Water gives and sustains life. For thousands of years, people have come together and built community around their water sources. It's in this spirit that the Overflowing Generosity activity acts as a community-building experience for your congregation or small group. By gifting water-related items in the Presbyterian Giving Catalog, your community can come together to provide access to clean, safe, and life-giving water for those who need it.

MAKE A PLAN WITH DATES AND GOALS.

- Decide when you would like to start and wrap up the *Overflowing Generosity* activity. This activity was created for use during Advent, Lent, and/or Vacation Bible School, to support an alternative giving fair, and during other special days of the year that your church may want to promote a message of clean water, such as World Water Day or Earth Day. The activity can be used at a specific event, for a week-long VBS, or any other timeframe up to a month.
- Order the Activation Kit by calling 800-524-2612 (item 12112-16-975)—everything you need is included.
- Set a challenging, but not unrealistic goal for your members to hit through a collective effort. Depending on enthusiasm and ongoing totals, consider bumping up the goal if the congregation has met or exceeded your preliminary goal.
- Create a "commitment form" (great for tracking progress and record-keeping) where you can collect information about who gave what items, with dates and amounts of each gift.

ENCOURAGE GENEROSITY AND INVOLVEMENT!

- Hang the activity poster in a prominent area, and set the sticker cards, catalogs, a receptacle for checks, and the commitment form you created (with pen) close by.
- Announce the *Overflowing Generosity* activity with your established goal during a Sunday service, explaining the steps for participating and how to make a gift:

Participation Instructions for Your Church

- » **Select a desired gift** (Jerry Cans, Rainwater Catchment System, Garden Well share, or another gift of their choosing), and pick up one of the corresponding sticker cards.

 - ☐ Write a check through the church

- » To help with goal tracking, include your name, gift, and chosen way of making the gift on the commitment form.
- » Place your gift sticker (from the sticker card) on the *Overflowing Generosity* poster once the gift or commitment has been made. Stickers should be arranged to create a sloshing stream that falls onto the dry earth.
- Wear the second sticker on your shirt or jacket to express your joy in giving, and to encourage friends and family to participate.

• Announce the activity in your e-newsletter, including language we've provided below, the listed participation steps, and your congregation's goal. Make sure to add details about the specifics of when and how the activity will be taking place.
