

PRESBYTERIAN GIVING CATALOG

#MaskParadeFarm Display

Once you've decided on a location:

1. Measure the display area (case, bulletin board, window, etc.).
2. Purchase/Gather needed materials. (see "Shopping/Gathering list" below)
3. Select and print related promotional images at:
<https://specialofferings.pcusa.org/page/pgcresources/>.

Shopping/Gathering List:

- For bottom of display case:
 - 8.5x11 MaskParadeFarm Activity Sheet
(<https://www.presbyterianmission.org/resource/maskparade-activity-sheet/>)
 - Order (3) Presbyterian Giving Catalogs at
<https://www.pcusastore.com/AdvancedSearch/DefaultWFilter.aspx?SearchTerm=1211219925>
 - Length of material (such as cloth) for bottom of display case.
- For the barn:
 - Material to use as background (if needed)
 - Red, tri-fold display board
 - Poster boards: (1) black and (1) white.
 - Various farm animal decals
 - Green construction paper
 - Scissors
 - Glue/Tape/Staples

Basic Steps of the Process:

1. Cut the top of your tri-fold in an angle to mimic the shape of a barn
2. In the center of your tri-fold, make a cut-out in the shape of a square. This will serve as the entrance to your barn.
3. Using the cut-out piece, cut it into two separate pieces. These will be the "doors" of the barn.
4. Cut 15 strips of the black and white poster board. These should be no more than 1.5" thick and 16" long.
5. Adhere the black strips along the top of your barn.

6. Adhere four white strips to the perimeter of the doors. Place two additional white strips in a X formation over each door.
7. Cut two white strips in half. Use these four pieces to mimic the same design we created on our barn door. Adhere four of the strips in the shape of a square. Use two additional pieces to create the X.
8. Place your animal decals around the barn as desired.
9. If you have a display case, complete bottom of display by adding the green and brown fabric.
10. Place 3 copies of the Presbyterian Giving Catalog and the MaskParade Activity Sheet on top.

Not using a display case?

- This project will translate well onto a basic bulletin board. You will need to mount any additional materials that would be in the bottom of a display case.

If you create and other farm-themed display for your congregation, please share images with us so we may share them on our social media! Email pictures to
