

Mandate

The Presbyterian Committee on the Self Development of People (SDOP) shall assist the Presbyterian Church (U.S.A.) in carrying out its global commitment to work toward the self development of economically poor, oppressed, and disadvantaged people, who own, control, and benefit directly from projects that promote long-term change in their lives and communities. The mandate was established by the 182nd General Assembly of the former United Presbyterian Church, U.S.A. in 1970, and reaffirmed and approved by the 199th General Assembly (1987) of the Presbyterian Church (U.S.A.).

Mission

Self-Development of People is a ministry that affirms God's concern for humankind. We are Presbyterians and ecumenical partners, dissatisfied with poverty and oppression, united in faith and action through sharing, confronting and enabling. We participate in the empowerment of economically poor, oppressed and disadvantaged people who are seeking to change the structures that perpetuate poverty, oppression and injustice.
