## The Adams Maldonado Family

*Serving Christ together at the U.S.-Mexico border*

Bridging cultural, economic, political, and linguistic differences, Mark and Miriam support the ministry of Frontera de Cristo in sharing the good news of Jesus Christ in word and deed on both sides of the border. They and their partners seek to put flesh on the gospel through participation in new church development, permaculture, health ministries, and community and economic development. Recognizing the potentially divisive issues surrounding the border and immigration, Mark and Miriam help churches in the United States and Mexico respond positively and faithfully to these challenges. Please pray for this ministry that is transforming lives.
