

# SUMMER IS ALMOST UPON US

---

**Have you started planning for Vacation Bible School yet?** We have a number of resources to help spark your creativity as you plan a fun and exciting VBS program this year! Consider incorporating these lessons and activities into your program to help show the children in your church what it means to love their neighbors at home and around the world.

### **Lesson Plans (K-8)**

Use these lesson plans to teach children in your church about the importance of helping others through prayer, generosity, and sharing.

### **Activity Sheets (K-8)**

Engage your youth with activities created to bring to life the lessons they've learned from the accompanying lesson plans.

### ***Jerry Can Curriculum***

This five-lesson resource, separated by grade level, includes hands-on activities and makes an excellent program for a week-long Vacation Bible School.
