

Presbyterians do mission in partnership. We believe that doing mission in partnership broadens our awareness of how interconnectional God's mission is at the local, national, and global levels. The one table around which we gather is God's table and the one mission to which we are called is God's mission.

In more than 80 countries around the world, we partner with local churches and faith communities bound by our fundamental unity in our Lord Jesus, bringing together U.S. congregations and mid-councils with our brother and sisters in Christ around the world.
