Preparing leaders for the global church

Tom is academic dean of the Oxford Centre for Mission Studies (OCMS) in England, a critical center for global Christianity and mission. Judy serves in team ministry. OCMS was founded by church leaders from Asia, Africa, and Latin America. The founders saw the need for informed engagement to better understand and facilitate the growth of the church worldwide and to address the manifold issues facing Christians globally, including hunger, famine, disease, development, justice, war and reconciliation. OCMS has 120 doctoral scholars from over 40 countries and over 150 academics worldwide guiding the research of its students.
