

Montreat Multicultural Institute

November 6-9, 2012

About the Institute

The 3rd Annual Montreat Multicultural Institute, sponsored by the Presbyterian Multicultural Network (PMN) and the Office of Multicultural Congregational Support (OMCS), offers courses to enable and inspire clergy and laity in cultivating God's biblical vision to gather people of diverse identities into inclusive communities of faith.

- We focus on the **skills and proficiencies** needed for cross-cultural ministries and transforming relationships.
- **Courses: Spanish Immersion, O Lord, Hold Our Hands: The History of Race In America, Living Harmony, and Multicultural 101**
- The Institute also includes empowering and illuminating group **activities** and inspiring and embodied **worship** each evening.
- Special **election night** conversation and reflection on Tuesday

We are excited to announce that Singer songwriter, Elise Witt and Professional Storyteller, Paula Larke are on our 2012 faculty. They will be teaching "Living Harmony" along with Marcia Mount Shoop, Theologian and Dean of the Institute.

Our country's diversity is increasing in every way. For the church this is a blessed opportunity. The PMN is committed to exploring the skills we need for ministries that embrace and make space for God's people to truly be "together in one place." Our first two institutes have been great successes. Come and see how 2012 promises to be the best yet!
