Introduction to the Booklet by Rev. Raafat Girgis,  
Associate for the Multicultural Congregational Support Office

It gives me a great pleasure to present the National Multicultural Church Directory Celebrating Ten Years of Multicultural Ministry Booklet. You may find the denominations' definition of a multicultural church on page \_\_\_\_ along with a few pages on the progress of this ministry in the last ten years. The directory includes the names and address of approximately \_\_\_\_\_ congregations listed according to their location with each Synod and than Presbytery. These congregations represent not one model, but many different models. Some of these congregations may have been transformed from a mono-cultural church to a multicultural church or they are on their way to becoming multicultural. Others may have started as a multicultural New Church Development or (NCD). Some of these congregations are racial/ethnic specific and becoming more and more diverse as they feel and heed the call of becoming a church for all that reflects the makeup of their diverse communities. Many of these churches that started as racial/ethnic specific congregations consider themselves multicultural such as the Hispanic/Latino (a) congregations that include people from all over Latin America. Though they may share one language, they do differ in their cultures. The same can be said about many African Congregations and the Asian Congregations who may be sharing the same shape or color and yet, they are truly a community of diversity as they include many people from diffent African or Asian nations with different dialects and languages.

This directory is a work in progress as we continue adding new congregations to the list and as we continue to hear from other congregations who call on us. So, if you believe that your congregation should be listed in this directory, please do not hesitate to call us, and with the same token, if you don't wish to have your congregation on the list, please call, write or e-mail us. We came up with this list through several surveys. Three of which are done byt the Research Service Department of the Presbyterian Mission Agency (PCUSA), between 2003 and 2010. The Multicultural Congregation Support Office initiated a form to gather statically information form pastors and lay people of Presbyterian congregations who attended one or more of the multicultural ministry events or became members of the Presbyterian Multicultural Network (PMN) or/and participated in the PMN Church Partnership Fund. Our database actually reflects a much larger number than this, but we did our best to only include those that have responded to our surveys or submitted the form.

## HISTORICAL BACKGROUND

The Multicultural Congregational Support Office, formally called "Evangelism and Racial/Cultural Diversity" before 2006, was given the name "Multicultural Ministries," from 2006 to 2009 and was located in the Evangelism Department. In 2009 the office was moved to the Racial Ethnic and Women's/Presbyterian Women's Ministry area with a slight name change. The new name "Multicultural Congregational Support Office" is the most recent and current name of our office. We hope you enjoy reading through the following few pages of this resource and we hope to hear from you as we keep working and improving it.

## THE BIBLICAL MANDATE

"When the day of Pentecost had come, they were all together in one place -- Acts 2:1  
No longer Jew or Greek, slave or free, male or female -- Galatians 3:28  
A house of prayer for all peoples -- Isaiah 56:7b

A great multitude that no one could count, from every nation, tribe, people and language -- Revelations 7:9  
All are one in Christ -- Galatians 3:28  
Go therefore - gather all nations and tongues and make disciples of all nations -- Isaiah 66:18 -- Mathew  
28:19  
For the healing of the nations -- Revelations 22:2b

## THE CONSTITUTIONAL MANDATE

"The Presbyterian Church (USA) shall give full expression to the rich diversity within its membership and shall provide means which will assure a greater inclusiveness leading to wholeness in its emerging life. Persons of all racial ethnic groups, different ages, both sexes, various disabilities, diverse geographical areas, different theological positions consistent with the Reformed tradition, as well as different marital conditions... shall be guaranteed full participation and access to representation in the decision making of the church." (BOO, G-9.0104ff)

## **TWO BOARD MODELS OF MULTICULTURAL MINISTRY**

### **The Solidarity Model, Racial/Ethnic Specific**

Seeks to create racial/ethnic congregations, each worshipping separately and each focusing on the needs and reflecting the values of its specific racial/ethnic group

### **The Unified Model**

Seeks to include people of more than one racial or cultural group within a single congregation

## **WHAT IS A MULTICULTURAL CHURCH**

A multicultural church is a congregation or a ministry that intentionally recognizes, celebrates and incorporates a diverse membership...

- a. In Worship by utilizing different languages, arts, spiritual practices and theological expressions
- b. In Power Sharing through equal representation on sessions, church boards and executive positions
- c. In Mission Evangelism by providing the Good News in a cup that the people recognize, demonstrating respect and appreciation for their racial and cultural backgrounds, emphasizing spiritual transformation and sweeping social justice.

## MULTICULTURAL CONGREGATIONAL SUPPORT OFFICE PROGRAMS

The overall objective of the Multicultural Congregational Support Office is to envision, strategize and coordinate and denominations' efforts of becoming a vital and growing multicultural church; supporting Governing Bodies in developing holistic multicultural church growth strategies that enable them to reflect the actual makeup of the American society and achieve the General Assembly mandates of growing the church deep and wide. To achieve this goal, the office of Multicultural Ministries focuses its ministry on five major areas:

1. Church Development
2. Ecumenical Partnership
3. Holistic Evangelism
4. Leadership Development
5. Networking and Team Design

## HOLISTIC EVANGELISM

The Multicultural Congregational Support Office strives to provide programs that utilize holistic approaches to the Gospel with equal emphasis on spiritual transformation and sweeping social justice. The office does so by building and equipping regional, national and international multicultural ministry teams that in turn train others in caring this holistic message of the Good News to all.

The following are some of what this office offers in this area:

### CONSULTATIVE SERVICES

1. Providing regional training focusing on evangelism in diverse setting
2. Partnering with Governing Bodies/Seminaries to provide strategic envisioning for multicultural outreach
3. Supporting current and previous evangelism strategies
4. Holding Ecumenical Consultations for the exchange of ideas and models of multicultural evangelism

### GRANTS AND SCHOLARSHIPS

1. Providing congregational Grants that support multicultural outreach projects
2. Advocating for Mission funding for multicultural church growth
3. Providing scholarships and leadership training for multicultural Church Growth
4. Providing "Train and Trainers" scholarships
5. Establishing the Presbyterian Multicultural Church Growth Partnership Fund

### INTERNSHIP PROGRAM

Starting in 2007, in partnership with presbyteries and congregations, a new program was added to offer annual internships to seminarians to be trained in developing multicultural congregations

## CONGREGATIONAL DEVELOPMENT

The Multicultural Congregational Support Office, in partnership with governing bodies, supports programs that equip and inspire the transformation of mono-cultural congregations and the development of new multicultural congregations.

The office does so by:

- Equipping leadership for Multicultural New Church Development and Redevelopment
- Providing Mentoring and support programs for Multicultural Congregational Transformation
- Supporting the General Assembly current and previous church growth strategies
- Sharing models of multicultural congregations through the writing and posting of multicultural church stories
  - Providing workshops and diversity and cultural proficiency programs
  - Obtaining and providing resources for innovative and dynamic multicultural worship

This chart indicated the growing interest in multicultural ministries among PC(USA) congregations from 2000-2007, by showing the churches reporting multicultural characteristics or an interest in becoming multicultural

In 2004, 28% of 8000 responding congregations polled were becoming multicultural

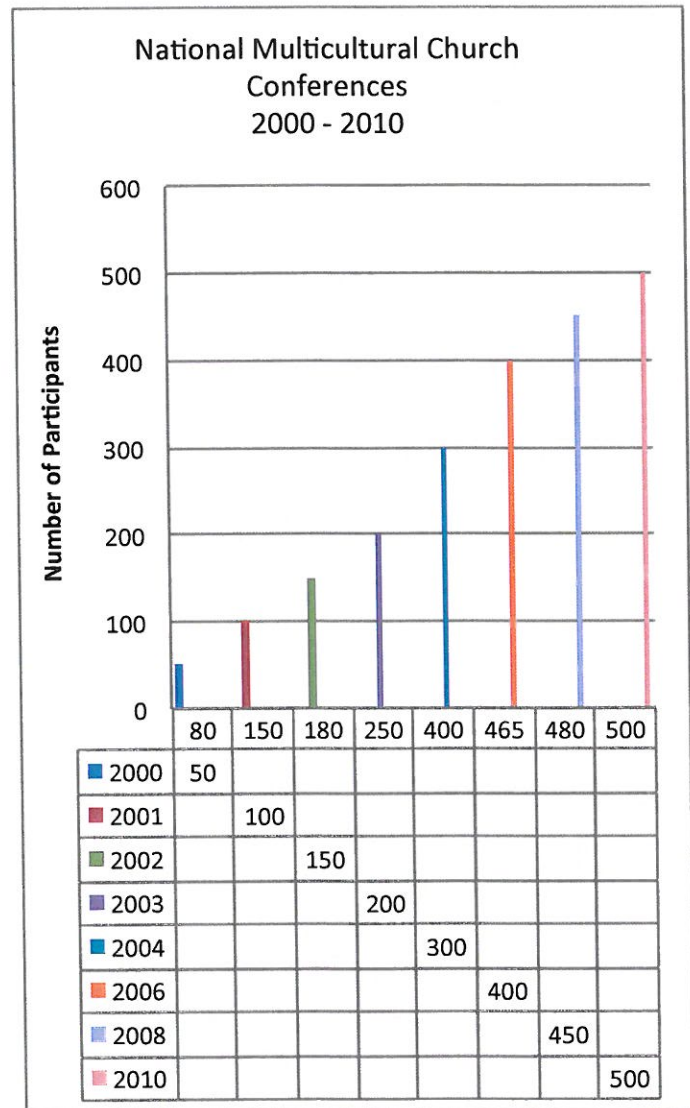

In the last ten years, the interest in becoming a multicultural church has grown. Today, more than 29% of Presbyterian congregations are interested in and engaging in multicultural ministry. It is the overall goal of this ministry to one day, there will be no need for this office as we all master its tools to grow our churches period.

## LEADERSHIP DEVELOPMENT

The Office of Multicultural Congregational Support in partnership with its national and regional multicultural networks and ministries provide several types of leadership training to equip clergy and laity for multicultural ministry in the PC(USA) and beyond. These leadership trainings include the following:

- The National Multicultural Conference, including children and youth tracks, is an inspirational and motivational event for both beginners and advanced participants with tracks that address the specific needs of each group
- The Multicultural Church Institutes at Ghost Ranch, Princeton Multicultural Church Institute, Stony Point and Montreat which provide training for coaching and mentoring leadership
- Pre-conference presbytery/church team trainings which address the dynamics of multicultural ministry, such as worship, Christian education and storytelling, models of multicultural ministry, community building and community outreach, and theological education in multicultural setting
- Regional Consultation and Training which provides the "how to" on becoming multicultural with the focus on specific local and regional needs
- The National Multicultural Youth Conference which prepares the present and future leaders for multicultural ministry

The number of participants at the National Multicultural Church Conferences has steadily increased since 2000. This graphic does not show the number of participants for years 2005, 2007 or 2009 because these conferences were in partnership with other ministry offices and with Big Tent

## NETWORKING AND TEAM DESIGN

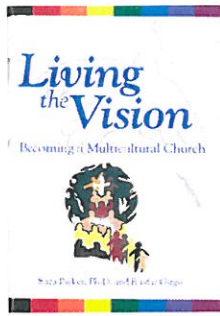

In partnership with the National Multicultural Network, the Office of Multicultural Congregational Support offers the following programs to strengthen multicultural networking and create models of partnerships:

- The General Assembly Multicultural Dinner and Celebration which is a semi-annual event intended for general assembly commissioners, pastors and leaders of multicultural congregations
- A regional Ecumenical Network for Multicultural Network
- The Ecumenical Network Forum for Multicultural Ministries (ENFORMM)
- Supporting the foundation of Regional Multicultural ministry teams or Networks, 7 regional multicultural ministry teams were established in seven Presbyteries and the over-all vision is to reach each presbytery to have

## ECUMENICAL PARTNERSHIP

An integral part of becoming the church according to the Biblical vision is not just to be multiracial or multicultural. Like the church of the pentecost started in Acts 2, people came from all

- Supporting the development of a strong Network of cross-cultural and
- Multicultural/Intercultural Ministries in participating denominations and organizations
- Developing and sharing resources and strategies for the North American Context

## PRESBYTERIAN MULTICULTURAL NETWORK (PMN)

The covenant between the GAMC and the PMN seeks to establish a partnership to enhance the multicultural vision and ministry of the PC(USA) and empower the congregations and governing bodies as they seek to preach a holistic message of the Gospel and reach out to their diverse neighborhood. Multicultural Ministry is a profoundly important aspect of the life and ministry of the PC(USA) both because of the multicultural character of the world we live in and the kingdom vision God calls us toward un scripture and our reformed theology as quoted above.

The purpose of the PMN is to serve Jesus Christ and Christ's mission through the Presbyterian Church (USA) by empowering multicultural ministries, congregations, and movements through training, mentoring and networking. Through a balanced and holistic approach that intentionally and equally emphasizes evangelism and social responsibility. The PMN works to connect and nurture what is already happening and imagine what can happen in multicultural ministry in the PCUSA. The collective imagining of the PMN includes reaching out into mono-cultural communities in the PCUSA to share this Pentecost vision and support recent and future strategic planning to grow "the church of Jesus Christ deep and wide."

### 10 Years of Multicultural Ministry

- Ten growing and well-attended national multicultural conferences and pre-conference events that provided leadership training, spiritual formation and networking to more than 7000 pastors and lay leaders. The multicultural conference has grown from 85 participants in 2000 to 500 in 2008
- Three multicultural church institutes provide intensive "train the trainers" programs serving both east and west coasts of the USA
- We provided more than 500 scholarships and congregational grants to support local programs and regional consultations. We provided funds to support five seminary student fellowships and at least 20 annual conference scholarships for seminary students
- We established the Presbyterian Multicultural Network and supported the establishment of five regional multicultural networks. We hired five part time field staff to help local congregations reach out to the diversity in their neighborhoods. On the global level, we reestablished the International Network Forum on Multicultural Ministries with ecumenical partners
- Through the last few years we have provided generous grants to several congregations to initiate multicultural internships in partnership with seminaries and governing bodies, and we hope to do more of this as the funds become available

## PARTNERSHIP FUND FOR MULTICULTURAL CHURCH

God's spirit is at work in the PC(USA) drawing together cultures, generations, and peoples from all nations! The transforming power of God's Pentecost vision for us all is flourishing. You are probably experiencing this dynamic of new life and new vision in the Body of Christ. If you want to empower and be empowered by this growing ministry in the PC(USA) then please keep reading

We have an exciting invitation for you. Imagine what we can do together if we pool even some of our resources to establish a funding that helps us respond better to the needs of our congregations. With just \$100 a year from 2,000 congregations, we can form an endowment fund that can grow to approximately \$1,000,000 in only five years. The Office of Multicultural Congregational Support (OMCS) lists approximately 2,000 multicultural congregations in the PC(USA).

Our goal is to have 2,000 congregations (about 18% of all PC(USA) churches) become partner members and annually contribute to this endowment fund

Contributors to the partnership fund will not only bless other Presbyterian multicultural congregations, but they will also be nurtured themselves by this fund.

**Contributing partners will be the first beneficiaries of this fund by being eligible to apply for grants of up to \$5,000**

These grants will support ministry in the following areas and more:

- Multicultural Internship Program
- Multicultural Youth/Young Adult
- Multicultural Leadership Development

- Pastoral sabbatical
- Multicultural resources and worship support

With the shifting economic times, we, the Presbyterian Multicultural Network (PMN) and the OMCS, are ever mindful that traditional sources of funding are not as available as they use to be. This situation makes the partnership fund all the more critical for how we move forward

- At the end of the fifth year and for each year after, we will be able to provide up to 50 congregational grants of \$5,000.00 each
- Each year, another 50 congregations will be rewarded and this will continue each year as long as at least 2000 member congregations continue their annual contributions to the endowment. With time, this number will grow and then the number of the beneficiaries will grow along with the amounts of the grant
- In addition, each member congregation will receive other benefits, such as funding for their members who wish to participate in any of the multicultural ministries leadership training events

Thank you for prayerfully considering partnering with us in this exciting movement. Please fill out the attached sheet to let us know of your commitment. Thanks be to God for all the hopeful signs among us and for all the promise the future holds!
