Joseph Reginald Russ

Serving Christ in El Salvador

As Coordinator for Migration Issues, Advocacy and Mission with the Northern Triangle Joseph is working with the Calvinist Reform Church in El Salvador and their non-profit arm, Alfalit. He will support them by strengthening a network of partners working on migration issues in the Northern Triangle. Based on the experiences of migrants and local partners themselves, we can join them in solidarity as U.S. churches and individuals advocate for policies that support migrants and prevent forced migration. Together, we can help people who want to stay in their homes, and welcome those who need to migrate. "
